

Foundation Event | October 25, 2023 - 9:00am - 6:00pm

WATER SUMMIT 2023 ANNUAL EVENT RETURNS OCTOBER 25 IN SACRAMENTO

Registration Opens August 23!

The Water Summit is the Water Education Foundation's premier event of the year, with leading policymakers and experts addressing critical water issues in California and across the West.

This year's event will be held Wednesday, October 25, at The Sawyer Hotel in Sacramento and includes lunch and an evening reception to network with speakers and fellow attendees.

Conversations will revolve around the theme, *Taking on the Improbable in Western Water*, addressing recent and ongoing changes in Western water management considered unlikely just a decade ago — and what we might expect in the near future.

Agenda details will be coming soon, so be sure to [sign up for Foundation announcements here](#).

Now in its 39th year, the Water Summit is an ideal event for water district managers and board members, state and federal agency officials, city and county government leaders, farmers, environmentalists, attorneys, consultants, engineers, business executives and public interest groups.

Contact Programs Director Nick Gray [via email](#) with any event questions.

Sponsorship Opportunities:

Why sponsor the Water Summit?

- Gain publicity for your organization at one of California's premier water conferences, attended by decision-makers; water agency staff and board members; state and federal agency representatives; and many more
- Receive complimentary tickets to attend the event for members of your organization or your guests
- Enjoy several sponsor benefits at the event including great networking opportunities during the lunch and evening reception

Sponsorships are available for breaks, lunch and the networking reception. If your organization is interested in sponsoring the Water Summit, contact [Nick Gray](#) for more information.
