

SWEETWATER AUTHORITY **COMMUNITY ADVISORY WORK GROUP**

LEARN ABOUT YOUR LOCAL WATER AGENCY & HELP SHAPE THE FUTURE OF YOUR WATER

Sweetwater Authority's newly-formed Community Advisory Work Group offers Authority stakeholders a platform to actively engage with their water agency.

Come join us for our kick-off meeting, where we'll share general information about the Authority and ask for your input on topics the working group should discuss in future meetings.

FOSTERING COMMUNITY CONVERSATION

The work group is open to residents, ratepayers, property owners and members of the business community in Sweetwater Authority's service area.

The work group will discuss projects and initiatives of the water agency before ultimately providing recommendations to the Sweetwater Authority Governing Board.

Meetings will be held monthly on the fourth Tuesday of the month. Participants can join any meeting without the obligation to attend every session.
